ATTACK from MARS

Mayhem, Madness And Destruction Were Never So Much Fun!

MENACING MARTIANS!

Spell M-A-R-T-I-A-N to start the Martian Attack. Hit all four jumping Martians to launch 2-ball multi-ball.

Attack From Mars is fun and entertaining to play, with its open playfield and easy to understand rules. It's a straight forward game that's fun for players of all skill levels.

Unique game rules allow multiple features to light simultaneously and in any order. Novice players are able to reach all the exciting game features, while expert players can attempt to Rule the Universe. Everyone will find the five different multi-ball sequences, ranging from 2 to 4 balls, thrilling to play. And the accessible playfield allows for easy cleaning and maintenance.

The Attack is on...get it or get left behind.

INDUSTRY FIRST!

Hit three-bank to disable Forcefield. Center shot destroys spaceship and Saves the Country. Strobe Light ignites playfield with excitement.
