Special Disappearing Kicker for Additional Playfield Run

The right kicker lane is illuminated when the ball goes thru the top playfield "K"; this activates the kicker to collect the bonus and thrusts the ball into play.

Ski the Top 5,000

Completing S-K-I on the top 3 lanes, lights the 5,000 light. These lanes also lite the thumper bumpers for 1,000 points and the center lane ups the right kicker to collect the bonus.
