Individual Scoring Memory

It's every mouse for himself as players build their OWN jackpots and lock their own balls for amazing Mouse Trap Multi-Ball!

Bait players with an irresistible test of skill and one tantalizing challenge after another! Only a few are quick enough to steal the cheese and escape unharmed to the refuge of the Mouse Hole!

Zip and Swoosh Ramps!

Running through these nooks and crannies spells C-H-E-E-S-E and opens the gate for a clean sweep to the safety of the Mouse Hole. Every perilous trip home builds the Jackpot and earns the tasty Cheezy Bonus and an Extra Ball or Special!

All New Foolproof Mouse Traps!

Set both treacherous traps by spelling M-O-U-S-E-T-R-A-P and lock one ball in each to start the triple multi-ball action! Players must then re-trap two balls and send the third one home to the Mouse Hole for a juicy feast worth up to 5 million!

The Big Cheese Loop!

Players will eat this one up and come back for seconds, thirds and more! Spotting the P-O-W targets is the secret combination of 1-2-3 that unlocks the door and lets players sneak inside! Scurrying around the loop energizes the cheese ramps to spot the M-I-L-L-I-O-N letters. And when all the lights are on, a quick escape to the Mouse Hole scores 1,000,000!

Cheese Targets!

Players can smell the excitement a mile away! When the increase light is on, hitting Cheese Targets doubles playfield values—even Million Shot and Jackpot—for twice the fun and two times the action!

Extra Ball

Bypassing the deactivated left Mouse Trap up and around the playfield 4 times lites ramps for an easy Extra Ball!
