HURRICANE™

**HURRY,
HURRY,
HURRY!**

**STEP
RIGHT UP...**

It's awesome! Everyone wants to play at the park, and kids of all ages are already standing in line to ride the amazing HURRICANE.

Hurting around on *this* roller coaster builds values to 1 Million and spots a letter in *P-A-L-A-C-E*. Spotting all the letters lights the jolly old *Juggler* for *Jackpot!* Streaking on the *Comet* can score *Unlimited Millions*, and *Dunking the Dummy* makes a big splash by advancing the *Bonus Multiplier*. Riding the first-ever *Double Ferris Wheel* awards its own bonus or a *Quick Score*. Hitting the *Cat* targets lights the *Juggler* for a *Mystery Score* on the *backglass wheel*.

For even more action, who better than the *Juggler* to start *Multi-Ball®* play? During *Multi-Ball*, the *Hurricane* picks up 1, 2 and 5 Million consecutively. And loading 2 or 3 balls onto the *Ferris Wheel* at the same time *scores 1 or 2 Million* respectively. And then, when *Multi-Ball* is over, the player is awarded one second of multiple scoring frenzy for each second of *Multi-Ball* play. Lighting all 6 parts of the *Clown Face* and riding the *Hurricane* starts *Clown Time* for increased scoring to the max!

From the dot-matrix display which dazzles the crowd with pie-in-the-face antics and scoring

hoopla, to the revolving backglass wheel—the thrills and chills of a real amusement park are right here!

Let your year 'round pinball profits ride on Williams' HURRICANE ... it's the most powerful force in pinball!
