ONLY BALLY CAN PUT THE NBA SPIN ON PIN.

**UNIQUE OPTIONAL
MARQUEE** Attaches to
standard backbox, drawing
players to the game.

NBA SHOT CLOCK
Provides realistic NBA
game action.

Shoot baskets to score
1, 2 or 3 pts. **REAL NBA
SCORING** increases
competition and attracts
novice players.

Operator-controlled
TOURNAMENT MODE
increases game collections
by allowing attendant-free
tournament play.

**PLAYER INTERACTIVE
BACKGLASS GAME**
Players shoot a basketball
into a hoop in the backglass,
timing the throw to hit a
1, 2, or 3 point shot.

"IN THE PAINT"
Players pass the ball to
the shooter, avoiding the
league's best defenders.

Champs who complete all
modes win the **NBA
FASTBREAK TROPHY**
and get to play multi-ball
against the machine to earn a
championship ring.

MILLION DOLLAR SHOT
mode gives players a chance
to continue after the last
ball drains.
